AND ENHANCING SKILLS.

ACKNOWLEDGING THE CENTRE OF PARK CIRCLE

At Pride Purple Group, we firmly believe that the homemakers are at the centre of every individual family, and also the Park Circle family. With their sacrifices and hard work, they keep us together and make our lives truly memorable. At Park Circle, it's time we celebrate them and their achievements.

WELCOME TO PARK CIRCLE+

While some gave up jobs to take care of the family, others contributed to the family's prosperity by utilising their talents and skills. From taking tuitions and classes at home to showcasing their ambitions through home-run businesses like catering, quilling and more, they have carved a niche for themselves. Park Circle+ is a platform that recognises their success and hard work and even promises to enhance their skills. All you need to do is join this circle.
